MOONLIT DREAMS

Bibhusita Deka (VIII)

Moonlit Dreams
Silver light,
upon my face
A gentle glow,
a peaceful space,
The moons soft beams,
they whisper low
Of dreams and hopes yet to grow.
In this quiet night,
I find my way
Through shadows dark,
to a brighter day,
The stars up high,
they twinkle bright
Guiding me forward
through life's plight.
With every step,
I find my voice
My heartbeats strong,
my spirit rejoice,
The moon's soft light,
it leads the way
To a brighter tomorrow,
a new day.
